Editors' Message

In a growing area such as Fairfield, it seems only fitting to dedicate this year's theme to that of GROWTH in its various aspects and concepts.

As I leave Armijo High School with the Class of '80, I would like to thank the teachers I have had, who have helped me to grow inwardly as well as outwardly.

I would also like to thank the student government for supporting the yearbook staff with money to help have our Senior Pictures in color, and for making our class what it is today. Enjoy the book, everyone!

Rick Flener, Co-Editor La Mezcla-1980

This year we had two Editors on staff to make the book go easier. You heard my co's message now I'm going to explain the purpose of a yearbook. A yearbook is really a history book of a schools activities. Being on staff makes us historians and lets us participate in our school. I am proud to say I worked on this book and I hope you enjoy it, a lot of good people helped make this book for you. Thanks for four great years at Armijo.

Mitchell Adam Walker, Editor-in-Chief La Mezcla-1980 Ken Perkins, the new principal this year, received his teaching credential from Kansas State University, and in 1961 began teaching in the Santa Ana district. In 1966, Mr. Perkins came to Fairfield to teach at Fairfield High School until 1969 when he was transferred and promoted to Assistant Principal at Crystal Intermediate School. In 1972, he was again promoted, making him principal at Crystal. Then, in 1974, the school board chose him to be the first principal at Grange Intermediate, where he remained until this year.

Mr. Perkins has expressed many ideas which he thinks will improve our school, such as developing school spirit, having students take pride in our school, and having the community become involved with the school. Mr. Perkins admits that these are long range goals that are not accomplished overnight, but knowing his previous successful record as a principal leaves the feeling that before long his goals will

become realities.

Growing Relationships

The beginning of another school year. . . for freshmen, the beginning of one new way of life.

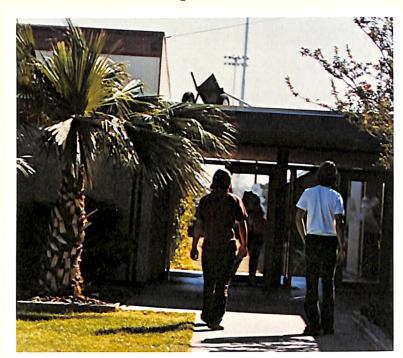

For Sophomores, a time to discover new ideas and beliefs.

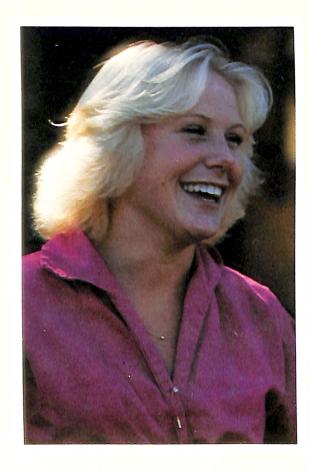

For Juniors, a period of self-evaluation and decision making.

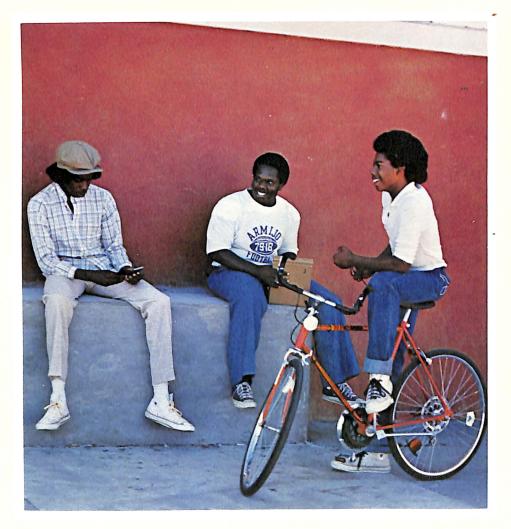

And, for Seniors, the end of a beginning.

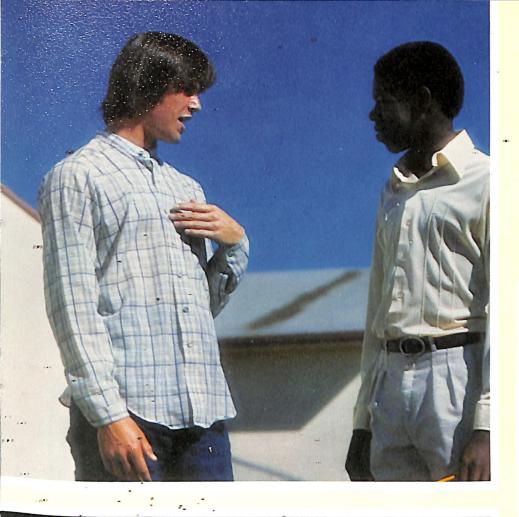

The 1979-80 school year began with a flurry of excitement as activities were planned and clubs began to take on identities. Games of various sports were held immediately and by the end of the first week of school, Armijo's publications were already being worked on.

RAINBOW

Congratulations to Mr. David Barthelmess and to the excellent cast in their production and outstanding performance in Broadway's "Finian's Rainbow". The production Humorously dealt with bigotry, crocks of gold, leprechauns, and American prosperity. The entire cast perfromed so well that I really felt as if I was a part of Rainbow Valley's community. Although every cast member deserves a special congratulations of their own, I can only name a few: Mitch Ehmke, our resident leprechaun, was the best actor I have ever seen; Bridget Reginato captured the audience's attention with her superb dance performance, but it was the Gospeleers' excellent performance which captured the laughs for the play. Once again, a very special congratulations to Mr. Barthelmess and his cast for their outstanding production of "Finian's Rainbow".

Banana Split Rally

Flash! Male students hit by gobs of ice cream at local school rally. The Banana Split Rally was the best rally we have had in a long time. Representatives from each class, one guy and one girl, were chosen to participate. The object of the contest was to see which class could make the best banana split on a guy's face. Three flavors of ice cream, fudge, nuts, whipped cream, and cherries were used. The Seniors won this contest with Robert Doran and Lori Reyes participating. The overall outcome of the rally was a good time with loads of spirit with a cherry on top.

- Norman Hull is quite comfortable under a mess of ice cream.
- Sophomore John Fields is helpless under a cold, wet, mess.
- Lori Reyes creates a new face for Robert Doran.
- Rally Commissioner Roxanne Harrison tells the crowd to ring their bells.
- Seniors Robert Doran and Lori Reyes win the contest, giving their class valuable spirit points.

Armijo A.F.S. Hosts Exchange Student Olympics

In the month of February, the Armijo A.F.S. chapter hosted several exchange students from the Dixon, Davis, and Winters A.F.S. chapters in addition to the four being hosted since the beginning of the winter. During the three days they were here, the students were shown around Armijo, the city of Fairfield, and spent two periods of one day talking to Armijo students about their opinions of the difference in customs and lifestyles. The A.F.S. also held a "Superstar Olympics" during this time period, followed by a barn dance at the Cordelia fire department with music from "Plain Music" and "The Barnstormers". Both events had been well planned and went out with a bang, which was what the abrupt ending of the barn dance seemed like.

HEAD FOR THE HILLS

Head for the hills, guys, the girls are a'comin'! This year the Sadie Hawkins dance was held on Nov. 20. The Girls Athletic Society did a great job putting on the dance. The group, Laser Boy, played many popular songs. Miss Lum took pictures again this year, and is getting to be quite an expert. The spirited Coach Quick acted the part of Marryin' Sam for the first time this year. The dance, of course, was a great success.

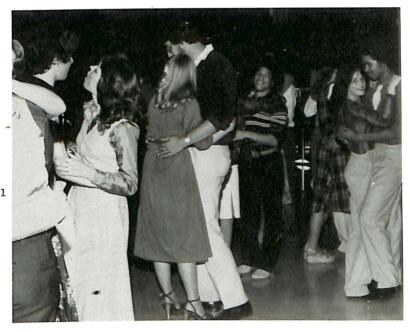

- 1) Here are the things that make up a major part of the dance; Marriage license, rings, photos, and memories.
- 2) Coach Quick and his friend from Idaho, Kelli Johnson, are present when Lisa Reed and Alvin Ugay are Hitched.

BASKETBALL HOMECOMING

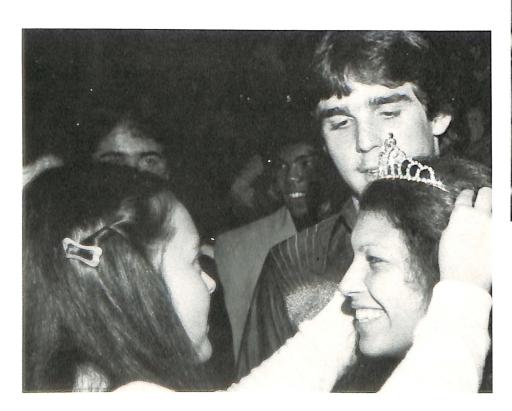

Armijo's Basketball Homecoming Week was a huge success, with the "Dress Up" days such as; "Gangster Day", "Cowboys and Indians Day", "Purple and Gold Day", "Baby Day" and "Mime Day". An even bigger success was our defeat of Vacaville High in the Homecoming game, we won 73-53. And lest we forget our new Homecoming Queen and King, Roxanne Harrison and John Perkins, and her court, Karen Cann and Lawerence Triggs (senior attendants), Cindy Ritchey and Central Pierre (juniors), Susie Wood and Tony Gunn (sophomore), and Yolanda Corona and John Perkins (freshman).

REMEMBER OUR FRIENDSHIP

Remember the time we met,
Remember 'always forgive and forget?'
Remember our sad confessions,
and how we learned our lessons?
Remember the fights we couldn't hack,
Remember leaving but coming back?
Remember our insecure tears,
and our suspicious fears?
Remember the good times and the fun,
Remember the things we shouldn't have done?
Remember we said it will never end,
Remember you'll always be my friend!
Remember the regrets we can't undo,
but remember forever that-

I'LL ALWAYS LOVE YOU!

SENIOR STATEMENT

1980, a year that was incomprehensible to us as freshman.

1980, a year that was a distant goal as sophomore.

1980, a year that was soon to be as juniors.

1980, a year that was in our grasp as seniors.

As we graduate we leave our high school years behind, forever—Four years of bittersweet memories, moments of victories, yet also of defeats.

As we remember the past and anticipate the future, we begin a new life in the present. This may include a college education, military service, a job, or a combination of these possibilities. The choice in itself is important in that it be the right choice for each of us.

Guided by God, our decisions will be correct. Trusting in Him we will preserve: our goals, that will be realized.

We, the class of 1980, would like to thank the following classmen for their leadership during the last four years.

Since we left the seventies and are beginning the eighties, it seems only right to look back on that tumultuous decade in which we grew up.

It was a violent one, with the Vietnam War and the Kent State Riot, but there was also happy times like the Bicentenial and Mickey Mouse's 50th birthday.

BLOCKBUSTERS

The 70's had their Blockbusters: Star Wars, The flight of the Double Eagle II, the Godfathers I and II, Voyagers I and II, Star Trek- The Movie, Watergate, Roots I and II, Apocalypse Now, Superman, The Deerhunter and many, many more.

IN MEMORY

Lost to memories: Johy Wayne, J.R.R. Tolkien, Groucho and Gummo Marx, Bing Crosby, Golda Mier, Pablo Piccaso, Edgar Bergan and Mortimer, Louis Armstrong, Maurice Chevalier, Noel Coward, Joan Crawford, Duke Ellington, Janis Joplin, Jimmy Hendrix, Lynard Skynard, J. Paul Getty, Gypsy Rose Lee, Zero Mostel, Agatha Christie, Jack Benny, Betty Grable.

STYLES

Also changed by the seventies was our look, our style; we went from the "Far-Out" look of the sixties to the "Chic" look of the seventies. We had Disco wear, Earth Shoes, Stylized jeans and personalized T- shirt that said everything from "I'm with stupid" to "Save the Whales". And don't forget that all purpose price of clothing that some people wore called "Our Birthday Suit" or better known as the Streaker Look.

ATTITUDES

Attitudes also changed in the seventies, from the non-caring attitude of the sixties to a caring, understanding attitude. People cared more about our future, more about our country and more about ourselves.

TRAGEDIES

The 70's had many great tragedies like the horror of The Kent State Riots where four people died, the 72 olympics where Palestinian Terriorists held the games at a stand still, the Watergate break-in, the unreality of the People's Temple mass suicide, the SLA kidnappings, the DC-10 crashes, the Boston Riots and the Assinations of Mayor George Moscone and supervisor Harvey Milk.

PEOPLE

The 70's had people who kept our spirits up; Muhammad Ali, Bjorn Borg, Cheryl Teigs, Hank Aaron, Mark Spitz, The Bee Gee's, Diane Keaton, C-3PO, Miss Piggy, R2D2, ABBA, Mikail Baryshnihov, KISS, Secrateriate, and ELO.

THANK YOU

A special thank you goes out to United Press International for without whose help these pages would not have been possible.

J.V. IN ACTION

This year's J.V. football team did not have one of it's better years. Their season record was 3-7; five of the season games lost were by only one touchdown.

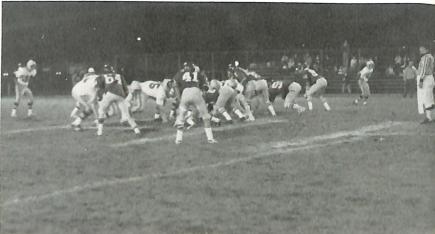

Head coach Jim Gilley stated that Keith Smith's draft to the Varsity hurt the offensive line but Eddie Davis, Adam Dysart, and Tony Gunn didn't let the team down. On the defensive line, Charles Metger, Robert Herndon, and Eddie Davis were the outstanding players.

"They played some good football throughout the season but hurt mostly on the big plays of each game", said the coach.

However, even with these handicaps, the team still became M.E.L. champs for the third year in a row. They played in sub sections, but lost to the number one ranked team in California. This year's record was 15 wins, 2 losses, and 1 tie.
